

# AMS School Progress Key Actions 2017-2018

## *Climate Key Actions*

**Implement the PBIS program with fidelity and teach students PBIS protocols and character education lessons promoting the values of P.R.I.D.E.**

**Teach, foster, and reinforce P.R.I.D.E. values by promoting student voice with a student advisory team, student ambassadors, and the AMS after-school programs**

**Model conflict resolution appropriate for the development of middle school students and promote positive student relationships with peers and adults.**

## *Reading and Math Key Actions*

**Develop and utilize formative assessments to inform instruction on a daily basis using FAME guidelines, strategies (class discussions, questioning, observation, student work analysis, and pre-assessment) and articulation (explanation of success criteria).**

**Design daily lesson plans that include targeted small group instruction, customization and personalization, interventions for remediation and enrichment, and opportunities for student metacognition.**

**Provide multiple opportunities to practice strategies that promote and enhance literacy skills (reading, writing, listening, and speaking).**
